Macroeconomics, labor economics, applied econometrics for financial institutions, macro-financial monitoring, monetary policy.

Appointments

Banco de México — General Directorate of Economic Research

Mexico City

Research Assistant, International Analysis Directorate

Mar. 2026 – Sep. 2026

Developed GDP projection dashboards, expectation forecast tables, and debt product heatmaps using Bloomberg Terminal, R, and VBA.

PUED (Universitary Program for Development Studies), UNAM

Mexico City

Research Assistant

Dec. 2025 – Mar. 2026

Support research on social and economic development under Dr. Delfino Vargas Chanes.

Facultad de Economía, UNAM

Mexico City

Teaching Assistant, Historia Económica General I

Aug. 2026 – Present

Course materials, evaluation design, and applied statistical tools alongside Mtra. Lorena Rodríguez León.

Education

Universidad Nacional Autónoma de México (UNAM)

B.A. in Economics. GPA: 9.40/10.0

Aug. 2022 – Present

Thesis: “*Credibilidad, Comunicación y Transparencia de la Banca Central*”, advised by Dr. Carlo Panico.

Key Projects

- **Forecast Table Automation (VBA):** module that processes Bloomberg data and automatically generates regional forecast tables for the US, Eurozone, EU, and Japan, eliminating manual weekly table-building.
- **Monetary Policy Decisions Agenda (R):** script that reads central bank decision databases and generates reports with conditional formatting and automatic status flagging.

Other Experience

National Association of Economics Students (ANEE)

Secretary of the National Academy

Jan. 2025 – Feb. 2026

Coordinated a nationwide conference series and the editorial review of *Horizonte Económico* journal.

Movimiento Ciudadano — National Editorial Commission

Co-creator, Archivo 21

Jan. 2026 – Present

Coordinated nationwide youth participation in a publication made by and for young people.
